RE: Article 21B, SMART Constitution
Dues Increase (Locals 29, 645, 645B, 722, 1831)

Dear Brothers and Sisters:

In accordance with action taken by the Delegates attending the 2nd General Convention of SMART, **effective January 1, 2020** the current International portion of your union dues will be **increased by $2.00**. This increase applies to all Transportation Division members and will be applied in December to the International General Fund.

As mentioned in union meetings and other correspondence throughout the years, our General Chairman has maintained that we will continue to hold local dues as is to the best of our ability. This upcoming $2.00 increase is the result of action taken at the last SMART General Convention for the International General Fund, and our local dues will be maintained without an increase.

We will continue to protect our finances moving into the future and wish everyone a healthy and happy holiday season.

Fraternally,

Patrick Damboise, Michael Heming, Robert Ward, Thomas Austin
